

Thank you for your interest in being a Women Who Hike Ambassador! This application is how we qualify and narrow down those interested in being an ambassador for us, Women Who Hike. The main role of our ambassadors is to develop and grow the Women Who Hike community in their local community. This includes leading 3-4 group hikes per year where you are chosen to represent Women Who Hike (usually state specific). We also extend some gear perks to you throughout the year. If you have any further questions before filling out this app, please email us at [info@womenwhohike.com](mailto:info@womenwhohike.com).
